PROFILE

Aspiring graphic designer, illustrator, and visual storyteller with a passion for crafting captivating narratives through art. Equipped with a keen eye for aesthetics and possesses a strong ability to conceptualize and design visually appealing layouts and character concepts, with the goal of channelling creative energy into meaningful projects that inspire and connect with people on a profound level, ultimately contributing to a world enriched by art and design.

Seeking opportunities to contribute my artistic expertise and dedication to excellence in a dynamic and collaborative setting.

WORK EXPERIENCE

Children's Book Illustrator

2017

TBS Planet Comics – *an India based startup studio that publishes and retails comics and graphic novels in paperback and digital format.*

- Illustrated captivating narratives based on the legendary tales of Akbar and Birbal, which were featured and presented at Comic Con Bengaluru.

Graphic Design Intern

2021

Uninhibited (Sukhibhava Foundation) – *a not-for-profit working with communities across India to end menstrual stigma and improve menstrual hygiene practices among women and girls.*

- Created engaging and visually appealing layouts for their newsletter.

Character Designer

2022

Graphic India - *a leading character entertainment company focused on creating superheroes, comics and stories through digital platforms*

- Applied artistic talent to develop and visually conceptualize original characters, showcasing a keen eye for detail and creative expression.

Intern

2022

Eden School – *a Singaporean school that quality education to students on the autism spectrum through vocational and life skills to maximise their potential in life.*

- Provided assistance in the art department at a special education school, fostering an inclusive and supportive learning environment.
- Developed engaging educational video content, primed for implementation in the upcoming academic year to enhance student learning experiences.
